# AMENITIES

## 18-Hole Championship Golf

Featuring the first Tiger Woods-designed golf course in the United States, our course features one cut of velvety Zoysia grass and is challenging yet fun, fast and playable for all golfers.

## The Playgrounds & Practice Grounds

The Playgrounds, a 10-hole short course also designed by Tiger Woods, offers a unique golf experience ideal for casual fun with friends and family or high-quality short-game practice. With food and beverages served throughout the day, The Playgrounds also features lights for night play. Our golf skills area features a practice range as well as chipping, pitching and putting greens.

## The Porch

The Porch, our clubhouse, provides a primary and central amenity anchoring the club and community where members and their guests can relax throughout the day to indulge in the Bluejack National experience. From resort-style event areas to culinary and cocktail outlets, the graceful design is consistent with the elevated hospitality and architecture that defines Bluejack. Breaking ground in 2019, the unique and understated elegance of The Porch is the centerpiece that brings spaces, places and people together in a relaxed ambiance that will pass the test of time.

## The Place

Bluejack National provides members and their guests with one of the game's most cutting-edge performance centers. Services include instruction programs, club fitting, performance testing and personal training. The Place also offers indoor and patio dining overlooking The Playgrounds, serving food and beverages throughout the day.

## Event Lawn

Nestled near the peak of the property, this central area is ideal for a special events, gatherings and family activities.
